We just held our February drawing for the Hal Leonard Ukulele Chord Finder book. I'm happy to announce that ukulele student Andrew Harris is the lucky winner!

If you entered the drawing (all you had to do was sign up for a lesson or send me an email asking to enter), you can check to see how the drawing was conducted:

This drawing was held in a fair and unbiased manner using RANDOM.ORG's Third-Party Draw Service. For details, please see the [drawing's record](#).

The March give-away will be a set of Aquila ukulele strings. So keep coming by for lessons, or just let me know if you want to be entered in the contest!
